## President's Message *from* MIKE LAUGHLIN

### *Greensboro President's Recap*

The Greensboro Rotary Club and Grandover Resort were hosts for the 23rd annual USGFR Golf Tournament, August 1-August 5, 2012. This tournament is now behind us and it was a great one. Founding Director, Dr. Frank Smith proudly attended his 23rd straight year without missing a single tournament.

The field in the North Carolina Venue was 50% greater than the prior year, sound indication that our organization is doing well again after a few years of declining participation. A special thanks is due Bill Durmer for his efforts with constant contact and Jim Brock for his development of our new web page, "USGFR.com." We would like to also thank all the Greensboro local Rotarians who worked to make our 2012 tournament a big success.

The Grandover Resort in Greensboro was a first-class venue, providing quality rooms, extraordinary food and two excellent golf courses to test our best players. Dupont Kirven, a North Carolina Rotarian, proudly displays his championship trophy after 3 rounds of quality play.

Patrick Eakes and Director Pat Clark are responsible for organizing this very successful tournament. The USGFR Board of Directors has appointed Patrick Eakes as "Director at Large" to capture his superb organizational skills and enthusiasm for the United States Golfing Fellowship of Rotarians.

Start making your plans now for USGFR in 2013. The Hyatt Regency Indian Wells Resort and Spa has been selected to host our 2013 tournament. Save the dates, May 11-15, 2013 for another special USGFR tournament to be played on the west coast in Southern California. Our tournament is open to all Rotarians and Rotary Fellowship is our goal.

## Greetings *from your Executive Secretary,*

MILLIE MACKENZIE

### *Hello all USGFR members and friends!*

Nothing could be finer! The North Carolina saying proved to be true as the 23rd annual USGFR national championships visited the truly grand Grandover Resort in Greensboro. Tournament chair Patrick Eakes left no stone unturned in organizing a fabulous event. Thanks to Patrick, his committee, and the Crescent Rotary Club.

At the annual meeting of the USGFR Executive Committee, we took several actions:

- Changed the top tournament award to designate two national champions: the gross stableford winner from Division I and the net stableford winner from any division.
- Established a Director at Large position and elected Patrick Eakes to that post.
- Changed the annual dues to \$25 per year effective January 1, 2013.
- Agreed to set up a PayPal account for accepting credit card payments for membership.
- Elected Bill Durmer to the position of President-Elect; he will take office following the 2013 tournament.
- Selected Perdido Beach Resort, Gulf Shores, Alabama, as the headquarters for the 2014 tournament to be held in late April/early May.

- Agreed to accept proposals from any club/region interested in hosting a USGFR venue, even if that location deviates from the currently established venue rotation schedule.

Membership in USGFR currently numbers 308. Of that number 168 are lifetime members and 140 are annual members. As always, we encourage ALL members to help promote membership and participation in USGFR. Refer your Rotarian golfer acquaintances to the fellowship website, bring them along with you to the next tournament, and explain to them the value of lifelong friendships made. Oh yes, there's always the fun of playing golf!

Past President Ray Taylor and his lovely wife, Betty, joined us in Greensboro. Ray has championed the cause of Rotary golf for many years and is a wonderful ambassador of our fellowship. Thanks for coming to Greensboro, Ray and Betty!

Sadly, two of our members passed away in the past year, and our sympathy goes out to their families: PRID Sam Greene and Gerry Sutton.

I hope to see all of you in Indian Wells next May. In the meantime, good health and good golfing.

*Millie MacKenzie*

## TOURNAMENT DIRECTOR 2012

We sure enjoyed hosting USGFR Rotarians and hope you all enjoyed your time in North Carolina.

Many of you made new friends this week or got to visit with longtime pals. And speaking of next year, please mark your calendars now for the 24th USGFR National Tournament at Indian Wells Golf Resort, May 12-15, 2013.

We are attaching a participant list with contact info on a separate page later in this newsletter. Thank you again.

*Patrick Eakes, Tournament Director*

## GREENSBORO, NORTH CAROLINA • AUGUST 1-4, 2012

WOW!! My dogs are really barking, RUFF, RUFF, RUFF. This year's venue in Greensboro was highlighted by golfing on two of the best groomed golf courses we have played on. The East and West courses at the Grandover provided a challenge to all golfers, especially if you were in the RUFF. Bermuda grass in the ruff should be outlawed. That didn't stop us from enjoying golf at its finest.

Our accommodations at the Grandover couldn't have been better. Superb rooms, delicious food and the folks there were as gracious as one could expect.

Pat Eakes and his Rotary crew did an outstanding job from the first day of arrival to the departing banquet. Pat organized this week right down to the smallest detail, it was perfect in every way. Pat and his group made a huge impact on what is still out there to achieve in well-run venues. The weeks' weather was warm and sunny, that was my job.

Special thanks this year to the following people. First the Crescent Rotary club, for sponsoring the venue. Individuals such as Don Allred for taking photos during the week and Kathryn "Cookie" Billings for doing a remarkable job on the side tours.

Others who contributed are as follows:

Pat Clarke, East Director, Ron Pierce, Web Site Manager, Jen Braswell, Dupont Kirvin and Brian Sowers, Tournament Comm. Gunnar Froman, Jon Lowder, Heather Perdue, Jan and Ashton Kirven, Registration Comm. Pam Harvey, Vana Bris-Bois, Jaci Betts, Fred Miller and Clemson Turegano, Tour Comm. Each of these folks contributed greatly in making all attending Rotarians and their spouses feel welcome and right at home.

OK, get out your calendar and circle May 12-15, 2013 for the next exciting venue. One you don't want to miss.

*Nate Naden, Editor*

## 2012 VENUE REPORT

### SPECIAL HAPPENINGS AT THE 2012 VENUE

This year we had not one but two grandsons participate in the venue. Mark and Margaret Dawber had their grandson Jacob Kleiman, and Lawrence Severino had his grandson Sundance Severino. What was great about it was both young men won an award for their golfing prowess. Two very nice young men, USGFR'S future looking better all the time.

Noel and Beverly Kenna made it all the way from Australia. Just a hop and skip trip. Sure nice to see you.

Greg Cummings didn't drink enough water or gatorade to please his body, I suspect; when he gets home Sara will have a sit down with him. Ooops . . . (Greig, next year, I will personally buy you a case of water) Nate.

This year we were blessed to have several charter members in attendance, among those were the illustrious Ray Taylor and his wife, Betty. Ray, what happened with the wheel chair?

On a sad note, our thoughts and prayers go out to Larry and Darlene Newman who couldn't come due to a death in the family. We missed you and hope to see you in California in 2013.

## THOUGHTS FROM PAT CLARKE . . . *East Director, USGFR*

### SPECIAL HAPPENINGS AT THE 2012 VENUE

Another successful Venue, this time Greensboro, North Carolina. The East Region took many of the top awards as we did at the IGFR in Pinehurst in 2011.

Nineteen of our East Region folks participated in the 23rd Annual USGFR National Tournament in Greensboro, North Carolina.

The 24th Annual Venue in Palm Springs, California in 2013 will be my last as East Region Director but Dolores and I look forward to meeting many of you there for the first time.

A member of my own Alexandria Rotary Club had indicated that he would attend the 2012 Venue but later changed his mind because his wife said she wouldn't know anyone in USGFR. We all started out "not knowing anyone" but soon we made new friends that have remained so for the past 10 years since we attended our first USGFR venue in Monterey, California.

Speaking of Fellowship and Friendship an incident occurred during the Greensboro Tournament that highlights those attributes.

During the second round of our three-day tournament, Greig Cummings, a long time member of USGFR and a past winner of many events, passed out on the golf course due to dehydration. His playing partner PDG Ned Lester, Blacksburg, Virginia, accompanied him by ambulance to nearby High Point Hospital. Lindsey McAlpine also arrived at the emergency room soon after learning about Greig's plight to check on his wellbeing. I arrived later that evening and met with Greig, Ned and Lindsey. The doctor said they were going to keep him overnight but would release him the next day. This occurred as planned and Greig is at home and feeling fit again.

Greig has invited Lindsey and I to play at his Congressional Country Club in October. The Friendship and Fellowship of USGFR members continues!

*Pat Clarke, East Director*

### *Special Note . . .*

**It is with great sadness that we announce the loss of a longtime USGFR member, Marlowe LeBarge, on September 3, 2012.**

Marlowe John LeBarge, 84, of Cat Mousam Road, died peacefully early Monday morning, September 3, 2012 at Gosnell Memorial Hospice House in Scarborough surrounded by his loving family. He was born in Kennebunk on September 7, 1927, the son of John B. and Frances R. (Bragg) LeBarge. He grew up and was educated locally, graduating from Kennebunk High School, Class of 1945.

He was a former member and past president of the Kennebunk Rotary Club, where he had perfect attendance for 50 years, and was recognized as a Paul Harris Fellow. He served as Director, Region One, United States Golfing Fellowship of Rotary, and his team won the 1st U.S. National Championship Golf Tournament in 1990.

In lieu of flowers, donations in Marlowe's memory can be made to: York Lodge No. #22 A.F. & A.M, PO Box 55, West Kennebunk, ME 04094, or St. Amand Commandery No. #20, 119 Center Road, Lebanon, ME 04027 or Lucky Pup Rescue, PO Box 461, Kennebunkport, ME 04046.

## FRESHMAN CLASS 2012:

What a turnout this year for Freshman. We had 15 individuals or families enjoy the warmth and fellowship that North Carolina had to offer. They are as follows:

**Eric and Linda Adamson**  
**Don and Pat Allred**  
**Jen Braswell**  
**Vana Bris-Bois**  
**Michael Carter**  
**Ronda Christensen**  
**Hud Hudson**  
**Noel and Beverly Kenna**  
**Dupont Kirven**  
**Jacob Kleiman**  
**Larry Lassiter**  
**Glory Palacek**  
**Art and Zoanne Perez**  
**Sundance Severino**  
**Brian Sowers**

*My wife and I are pleased to have had the opportunity to participate in the 2012 USGFR tournament. All aspects of the event, the accommodations, the courses and, in particular, the fellowship were what we have come to expect after 20 years of participation in Rotary fellowship events. Congratulations to the tournament committee for a great venue and we thank you for your hospitality and yet another memorable Rotary experience. – Noel and Beverly Kenna*

*When Patrick Eakes asked me to join USGFR I wasn't sure what to expect. Pat told me how much fun he had last year; with his recommendation, I decided to check it out. From the first person I met there was an instant connection with both Rotary and golf. I would encourage every Rotarian who is a golfer to consider joining USGFR and play in one of the national tournaments and to invite someone new to join this wonderful fellowship. They just might have as much fun as I did. – Dupont Kirven*

*What a great venue with great Rotarians from around the globe participating. I had a wonderful time meeting new folks. You all made me feel right at home. I'm already looking forward to Palm Springs next year. By then my medical issues will be behind me. Thanks for all USGFR has done and will do for our Rotarian golfers forward. Hit them long and straight. – Brian Sowers*

**Editors note: Brian, "Get well Ma' Man."**

Finishing the tour with lunch at the Old Salem Tavern.

3:00PM Hospitality Room opened up. Libation and pop corn available for all to enjoy, especially the pop corn.

### Friday, August 3 2012

6:00AM to 8:00AM Complimentary Breakfast.

8:30AM 2nd round of golf, for the three day golfers, we are now on the East course. Just as nice and picturest as the West course was. Golf continues to be good, scores for the most part were very good. Another great lunch followed with score watching high on our agenda.

10:00AM the third tour convened. This trip was to the Seagrove Pottery with Cookie and Assistant Gov. Jaci Betts as their tour guides.

Lunch was at the Westmore Restaurant.

3:00PM Hospitality Room open for fellowship etc. This evening was an open night to tour, eat at a local fine dining or whatever floated your boat. Most relaxed and spent time together talking. That's what USGFR members call "FELLOWSHIP"

### *Saturday, August 4 2012*

6:00AM to 8:00AM Complimentary Breakfast

8:30AM 3rd round of golf on the East course for the 3-day golfers and the 2-day golfers. This was make-or-break day for all golfers as to who would receive trophies. Another excellent lunch followed golf as we sat around for the final tallies and kabits about what went wrong and what went right.

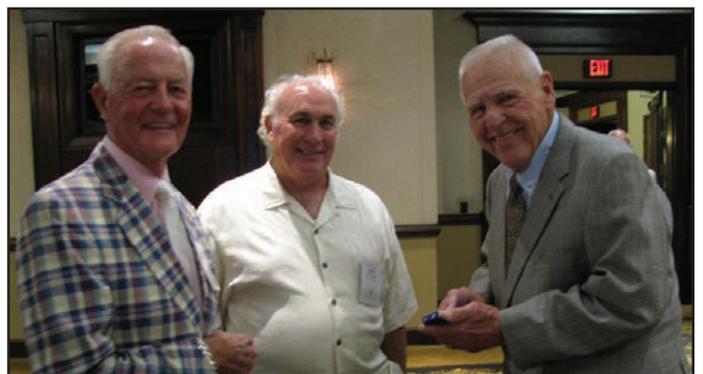

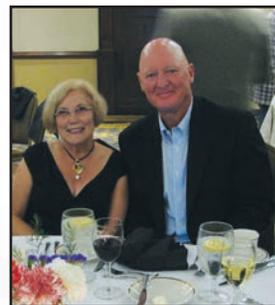

9:30AM the fourth tour to Duel Historical Sites. Cookie Billings again was the tour guide along with past President of their Club, Fred Miller. This was an educational tour of the Guilford battlefield with Rotarian Clemson Turregano.

Lunch at the Starmount Club with a question and answer session with Clemson. The tour also included a trip to the Greensboro Historical Museum.

3:00PM to 5:00 PM Hospitality Room open for additional fellowship.

6:00PM to 9:00PM Closing Banquet at the Grandover and the distributing of trophies. Jim Brock gave a short talk on next year's venue in Indian Wells, California along with a slide show. The last item was a very interesting talk from Mr. William Mangum, artist and philanthropist. He began with his childhood, how he became interested in art, beginning with a 59-cent tray of water colors. His interest in aiding the homeless: todate Bill has raised over 4 million dollars to meet the needs of the indigent. Bill says helping others as Rotarians do, and following your dreams, will make your life meaningful. What a great inspiration he was to us all.

As I explained before, Pat Eakes did a fantastic job this week. So he finished off this venue with a total surprise to all participants. All participants received a framed picture of one of Mr. Mangum's painted pictures of the golf course at Grandover. What a wonderful way to cap off an outstanding week at the Grandover in beautiful North Carolina. NOW, ON TO THE DESERT IN 2013. WESTWARD HO!
