Bring on the wine! We begin the tour visiting one of our premier winery partners to explore some of the flavours our iconic wine country is known for. 11:45 - Second Winery Visit Begins

After a short drive, we continue our tour at another excellent winery. You'll learn, you'll laugh, and you'll love the carefully selected wine samples as you begin to become a bit of a wine connoisseur with all your new found knowledge.

12:45 Lunch, Wine & Cheese

Now's the time that a little food would hit the spot. Our third winery provides a gourmet cheese sample plate during your next wine tasting. After that, a delicious lunch is provided to you and your guests from one of our fresh, local food partners. Once everyone is happy and comfortable, we head on out to our last winery visit of the day.

2:00PM The Last Stop

We like to end things with a bang! You know, to keep things memorable and such...
